

TWS STUDENT CONCLAVE GRANT PROGRAM

I. Overview

The Wildlife Society (TWS), founded in 1937, is an international, non-profit scientific and educational association dedicated to excellence in wildlife stewardship through science and education. With nearly 70% of wildlife professionals in state and federal agencies reaching retirement age in the coming decade, the need for developing the next generation of highly-qualified wildlife professionals is paramount. TWS Student Chapters host five to eight regional TWS Student Conclaves each year that provide college students valuable hands-on training in wildlife management and conservation, and give them a chance to learn from and network with working professionals. TWS is re-establishing its grant program to support TWS Student Conclaves and the vital role they play in preparing students for a career in wildlife management and conservation. Grants of \$1,000 are now available to help support each regional TWS Student Conclave that meets the requirements presented below.

II. Requirements

The Student Chapter hosting the conclave must:

1. be an approved Student Chapter of The Wildlife Society.
2. fill out and submit the pre-conclave application **and** post-conclave report to receive the full \$1,000 grant.
3. attach a detailed budget to their pre-conclave application.
4. **attach a list of all Conclave attendees, including name and email, with their post-conclave report.***
5. advertise The Wildlife Society as a sponsor of the Student Conclave.
6. **include "TWS" or "The Wildlife Society" along with the title of the Conclave. For example, "TWS Southeastern Wildlife Conclave", not just "Southeastern Wildlife Conclave".**
7. allow TWS membership materials to be distributed and, when appropriate, allow a TWS staff, designated TWS representative, or Council member to speak to the participants.

* This information will be used for membership recruiting purposes.

III. Application Procedures

The TWS Student Chapter applicant must:

1. fill out and submit the pre-conclave application to TWS Headquarters two months prior to the scheduled event to receive the first installment of \$500. The pre-conclave application must be signed and dated by the hosting TWS Student Chapter President and Advisor.
2. attach a detailed budget including expected revenues and expenses to the pre-conclave application.
3. fill out and submit the post-conclave report with a list of attendees to TWS Headquarters within four weeks after the event to receive the second installment of \$500. The list must include the name and email address of all attendees.
