Guidelines: A minimum of 80 contact hours are required to receive your certificate

#### CATEGORY I (a): Participation in Organized Activities

**Guidelines: A minimum of 60 contact hours are required and a maximum of 120 contact hours are accepted**

- Contact hours involve organized activities in which the applicant participates (not leads): seminars, symposia, short courses, distance learning courses, workshops, training sessions, technical sessions at professional meetings and conferences
- College courses may also be used to meet the requirements. The course must have been taken following the applicant achieving full-time professional-level employment in a wildlife-related field
- Work projects related to regular professional duties do not count
- Acceptable topics covered for credit include:
  - Subjects directly related to the wildlife profession such as big game management, wildlife economics, wildlife pathology, habitat management, wildlife policy, endangered species management, vertebrate population biology, and wildlife law enforcement
  - Subjects in other natural resources disciplines, such as forestry, range management, fisheries, entomology, and watershed management
  - Subjects that provide general enrichment, such as computer science, leadership, public speaking, marketing, and problem solving
- Credit accrues at a rate of 1 contact hour for every hour of classroom contact; 1 contact hour for every 3 hours of field session contact
- Hours logged on Certification Renewal applications may also be logged on this application
