

Call for Professional and Student Presentations

Annual Meeting of the Georgia Chapter of The Wildlife Society

The Georgia Chapter of The Wildlife Society announces the call for professional and student presentations at the 2016 Annual Meeting to be held at Georgia Museum of Agriculture in Tifton on September 15-16.

Time slots for presentations will be 15 minutes, which includes time for questions. There will also be limited space available to display poster presentations. If you would like to be included as a professional presenter, please send the title and presentation type (oral presentation or poster) to Daymond Hughes (Daymond.W.Hughes@aphis.usda.gov).

Student presentations will be on Friday the 15th from 8:00-12:00. Presentations describing completed or ongoing research from graduate and undergraduate students are welcomed. Student presentations will be judged and cash awards given for first (\$100), second (\$50), and third place (\$25). Student poster presentations will also be judged and a cash award of \$50 will be given for first place. If you would like to be included as a student presenter, please send your title and presentation type (oral presentation or poster) to Steven Castleberry (scastle@warnell.uga.edu) by August 21st.
