## SDWG Logo Design Contest

Calling all students! The Student Development Working Group announces a call for a new logo design! The Working Group currently does not have a unique logo, and therefore we are looking to our student members for inspiration.

The new logo will be voted on by the SDWG membership and the designer of the winning logo will receive the field guide of his/her choice (up to a \$50 value). If you are interested in submitting a design, please save it as a PDF or JPEG and email it to Kristi Confortin at [kaconfortin@bsu.edu](mailto:kaconfortin@bsu.edu). Submissions will be accepted until April 30, 2017. Please note, **the logo design must have the name or official logo of The Wildlife Society incorporated into it.**

Here are a few examples from other working groups for inspiration:
