*Leaders in Wildlife Science, Management and Conservation*

24<sup>th</sup> Annual Conference • Albuquerque, N.M. • September 23-27, 2017

In 2017, The Wildlife Society will be hosting one of the largest gatherings in North America of wildlife professionals, influencers, educators, students and supporters in Albuquerque, New Mexico. During five days packed with presentations, working group meetings, workshops, social and networking events, attendees will experience unparalleled educational, professional development and networking opportunities.

This conference provides added value to sponsors and a unique opportunity for contributors to show their support as it's the first time in two decades we've held the conference in New Mexico. Our sponsorship opportunities include member engagement, brand recognition, announcements, and special access to maximize sponsors' return on investment.

A wide variety of individuals from universities, conservation organizations, natural-resources consulting companies, and federal and state agencies will be among the attendees. Sponsors and contributors will also reach our nearly 9,500 members and more than 105,000 wildlife professionals, educators, students, and supporters through pre- and post-conference positioning in our magazine, website, and e-newsletters.

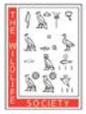

Our program for sponsors offers several levels of engagement. All sponsors will have access to marketing support and insights from our team to customize a sponsorship solution that helps them achieve their desired results.

Our goal is to provide a depth and range of educational programming and networking that ensures that attendees leave the conference more inspired, empowered and enabled to sustain healthy wildlife populations and habitats for generations to come. With your support as a sponsor or contributor, we know that we can deliver on that promise.

Please review the attached information and contact us with any questions you may have. We appreciate your support of The Wildlife Society Annual Conference and look forward to thanking you there in person!

Best Regards,

Ed Thompson  
Chief Operating Officer

## Questions?

If you have any questions about your support of our conference, please contact **Chuck Shively, Development Manager** at 301-897-9770 or [chuck.shively@wildlife.org](mailto:chuck.shively@wildlife.org), or **Dr. Virginia Seamster**, Fundraising Subcommittee Chair, [virginia.seamster@state.nm.us](mailto:virginia.seamster@state.nm.us).

## Contributor or Sponsor?

There are two distinct ways to support The Wildlife Society Annual Conference:

- **Contributors** are typically businesses, organizations, and individuals who want to provide financial support for the conference or a specific activity at the conference with no expectation of tangible return on investment. Contributors will receive recognition for their support by tier in a variety of communications channels and will receive an invitation to a contributor recognition event during the conference.
- **Sponsors** are typically businesses and organizations who desire tangible value and return on investment through engagement opportunities, brand recognition and visibility, marketing and advertising through multiple communications channels, free exhibit space and/or registrations, and invitations to a sponsor recognition event.

Still unsure as to which category best matches your intent? Contact Chuck Shively, Development Manager at 301-897-9770 or at [chuck.shively@wildlife.org](mailto:chuck.shively@wildlife.org) and we'll be happy to help!

## Contributors

*All contributors receive the same types of recognition as outlined below, but the tiers will distinguish you or your organization by the level of support provided.*

**Benefactor: \$10,000+**      **Patron: \$5,000+**      **Associate: \$2,500+**

**Friend: \$1,000+**      **Affiliate: \$250+**

### Recognition

Contributors will be recognized for their generous support by tier with text recognition in the conference program, on the conference website, on the thank you recognition signs at this conference and in one issue of *The Wildlife Professional*. They will also receive tickets to the contributor recognition event held during the conference.

While we encourage contributors to support the entire conference, if a donation must be used to support a specific program or activity, TWS will honor that request. If desired, TWS will also provide recognition in connection with the designated program or activity through messaging such as "underwritten through the generous support of (contributor name)" in the conference program, on the conference website and through signage at the event, as practical.
