Bethesda, MD 20814-2144

Dear Tom:

Enclosed you will find a position statement on greater sage-grouse that was prepared by the Central Mountains and Plains Section. A lot of thought and time went into this and the Board is hopeful that you will find it useful. Vicki Herron led an ad hoc team of experts in this endeavor.

Please let me know if you have any questions or comments.

Have a great day,

A handwritten signature in black ink that reads "Steven P. Riley".

Steven. P. Riley, President
Certified Wildlife Biologist

Enclosure
