

West Coast Sea Turtles

A Workshop

West Coast Sea Turtle Workshop

January 19, 2018
Long Beach, CA

Put On by The Western Section of The Wildlife Society
Instructors from NOAA and the Aquarium of the Pacific

More information: www.tws-west.org (website), workshops@tws-west.org (coordinator email)

Date: January 19, 2018

Location

- **Lecture:** Aquarium of the Pacific, Long Beach, 100 Aquarium Way, Long Beach, CA 90802
- **Field:** Along the San Gabriel River, Long Beach

Instructors: Dan Lawson, Christina Fahy, Robin LeRoux of NOAA

Description: This workshop hopes to demystify the biology, conservation, and regulation of sea turtles occurring on the western coast of the United States. NOAA biologists will discuss cutting-edge research on California's resident green sea turtle population and describe monitoring for the four species occurring in our area. Afterwards, we will look for wild sea turtles. Lunch included.

Registration & Membership: www.tws-west.org
