WCTWS Wildlife Inventory & Monitoring Technical Training Workshop

Are you looking to gain valuable experience and knowledge about surveying wildlife and their habitats in Wisconsin? If so, plan on attending the WCTWS's Wildlife Inventory and Monitoring Technical Training Workshop. The workshop is scheduled for September 15-16 at Teshaven (near Tomahawk).

There will be information on surveying small mammals, birds, reptiles, amphibians, mammals, and large mammals. Other sessions will include wolf howling, owl surveys using playback recordings, and bat surveys. You will even get to set traps and check them the following morning.

For more information on the workshop, check out pages 5 and 4. For registration information, see page 5.

We look forward to seeing you in September!

Mark Your Calendars!
The WCTWS 2009 Winter Meeting is planned for March 4-5 with a welcome reception on the evening of March 5. The meeting will be held in the Stevens Point Area. Stay tuned for more details.

Renew Your Membership
Don't forget to renew your membership for 2009. There are numerous benefits of membership, including but not limited to, receiving the newsletter, professional growth through attending annual workshops and meetings, and much more.

You can renew by submitting the application on page 14 or online at http://pomsa.wildlife.org/Wisconsin/

A thing is right when it tends to preserve the integrity, stability and beauty of the basic community. It is wrong when it tends to do otherwise. – Aldo Leopold
