Followup with question proposed at the end of last meeting:

Each board members was asked: what would be the most important event/activity that we could do to build our membership and be a key factor for success in the working group in the next year?

Responses:

Brian: Develop the capacity to be a source of information; information sharing is limited

Have a summary of topic areas on website with links to various documents

Patrick: aggregate resources for the website; add published literature; add abstract to the website and link to the full PDF; like little paragraphs about key journal articles.

Crissy: Build the website to be a clearing house of information

Greg: a possible conference outside the TWS would be a great addition but would be more of a year 2 goal

Tim: Write an Op/Ed article for the wildlife professional on the working group

#### b. Nominations Committee – each BOD to identify 2 to 4 targeted asks

Who will board members target?

Kim: Will contact Bob Murphy from the Service and Martin Piorkowski

Brian: Was traveling and could not look at the list; he will identify two people later

Jerry: thought that several people not on the list would be good. He would start with Sherry Liguori

Greg: Martha Tacha and Susan Rupp

Tim: Heather Hanson, James Baker and other FWS

Crissy: Manuelo Huso, and Taber Allison

Patrick: Kathy Matthews, and various Stantec employees in Canada

Starter conversations should occur by our July meeting and identify people would be willing to be nominated for an officer position.

When asking, if you get a decline ask if they would be willing serve on a committee

c. Associated Meeting and Breakfast Round Table Planning

Tim presented a menu update. Traditional continental breakfast is \$15/person

Continental combinations is \$17.50 per person which includes croissants

It was decided that Tuesday morning would be the best time for breakfast, especially with promoting the symposium.

Small tables broken up by sector are the best choice for networking; we will choose the banquet style seating arrangement.

Title will be something broad: Renewable energy working group networking opportunity
