Minutes

No additions I can recall

Motion to approve as circulated from Tim G and seconded by Brian B.

Treasurers Report

Patrick B reported that we began the year with a little over \$700 in the account and now have over \$1000. Collected donations from sponsors to fund annual conference events.

Strategic Planning for the last year

G Forcey discussed REWG 2013 strategic planning process

2014 Annual meeting ideas

Brian B suggested observations of wildlife in solar field and addressing incentives for industry as ideas

Steve P suggested nexus between renewables and climate change as approach

P Burke suggested parallel siting and cumulative impacts issues for renewables and natural gas as topic

T Green suggested field trips before meeting: wind, gas, maybe hydro

The idea of a TWS technical review on shale gas was floated

Committees

Possible Research Committee to address literature for each sector

Nominations and volunteers were asked for, but no one volunteered
