

2018 Glasses Fundraiser

Look at our new West Virginia (WV) Chapter of The Wildlife Society (TWS) logo, tavern-style beverage glasses! These glasses are a fundraiser for our Chapter, which mainly has just one supporting charity – wildlife and natural resources (environmental science, forestry, biology, etc.) students. The WV Chapter TWS logo, adapted from TWS's logo, was recently designed and adopted by the WV Chapter and supported by TWS.

The price for these high-quality glasses is only \$10. The glasses have sold well and not many are left. However, some are still available at the WVDNR Elkins Operations Center (738 Ward Rd., Elkins, WV 26241) and a few are available in person from the Chapter officers.
