

The Professional Development Committee of the NC Chapter of
The Wildlife Society Presents:

Threatened and Endangered Species Workshop

Weymouth Woods Sandhills Nature Preserve

1024 Ft. Bragg Road

Southern Pines, NC 28387

November 1st, 2018

9:00 AM- 3:30 PM

Join the NCTWS Professional Development Committee for a workshop on threatened and endangered species in North Carolina. Experts will provide an overview and updates on the Endangered Species Act, review specific management strategies designed to help recover imperiled species, and discuss challenges faced by public and private landowners when managing T&E species. The workshop will also feature a field trip to Ft. Bragg to visit some of the species on base such as the Red-cockaded Woodpecker and the Saint Francis Satyr butterfly. The workshop is FREE for NCTWS members and \$10 for non-members. To register, please email Casey Dukes at caseygdukes@gmail.com.
