**Subject:** State & Tribal Wildlife Grants Program Dear Colleague Letter

Dear Senator Rounds:

I am making this brief follow up contact with you on behalf of the South Dakota Chapter of The Wildlife Society...

Thank you for agreeing to sign on to the Senate Dear Colleague Letter supporting funding for the **State & Tribal Wildlife Grants program in FY2020**. As you know from your experience as governor and now senator, this is a very successful state-based program that has been extremely impactful in South Dakota.

We look forward to working with on the Recovering America's Wildlife Act, which will build on this successful model but ideally with sustained funding for the future.
