

Managing Pollinator Habitat Along the Urban/Rural Gradient

September 24-25, 2019

Holiday Inn Mishawaka—Conference Center
1208 East Douglass Road, Mishawaka, Indiana 46545

Overview

This event is part of a series of formal Continuing Educational Workshops initiated by the Indiana Chapter, Wildlife Society in conjunction with Purdue University, Department of Forestry and Natural Resources. This training program for biologists and other natural resource professionals whose work could benefit or impact pollinators. Sessions will include plant and animal diversity in pollinator plantings, designing seed mixes, working in agricultural and urban systems, conservation planning for pollinators, and wild-life/pollinator habitat.
