Subject: ORTWS Intent to Donate to the Oregon Conservation and Recreation Fund

Dear Davia and Tim,

As you know, Oregon Chapter of The Wildlife Society is strongly supportive of efforts to diversify and grow alternative funding for conservation in Oregon. On behalf of our members and board, we are very appreciative of your leadership guiding the Oregon Conservation and Recreation Fund (OCRF) to success!

Please accept this letter as our intent to contribute at least \$1,000 (hopefully more) toward the OCRF within the next few months. ORTWS's annual meeting is four weeks away, thus we need to confirm our relatively conservative fund-raising goals before delivering our donation.

Thank you for your understanding and let us know if there is anything further we can do to assist your efforts.

Regards,

John M. Goodell
