David Lee and David Kisner will be entertaining us with stories from the field and short presentations. Fast, accurate answers to trivia questions will be rewarded with gift certificates to local breweries for growlers of your favorite brew and coveted Wildnote swag. And if you stick around until the end, you could be the lucky winner who gets a pizza delivered right to your door!</i></p>	

The California Central Coast Chapter is holding a fundraiser to assist with treatment of and further research on sarcoptic mange on the federally threatened San Joaquin kit fox. Please donate towards the San Joaquin kit fox conservation fund or buy a shirt today! All proceeds will go to the California Living Museum (CALM) in Bakersfield, California which takes in, treats, and rehabilitates infected foxes for release back into the wild.
