From 1956 through 1965 these states/territory were part of Region VI. This “new” Region VIII became the Western Administrative Section in 1971 and simply the Western Section in 1978 {WSB 15(1):20}.

¹Until 1946 Canadian provinces were included as parts of the groups of states contiguous with the international border. From 1946 – 1965 all of Canada was included in Region VII. In 1965, Region VII Canada was disbanded and Canadian provinces were again added to the Regions where they shared the international border. At this time a new Region VII was created consisting of Colorado, Utah and Wyoming adding an unfortunate bit of historical confusion {WSB 15(1):20}.

²The TWS Operations Manual indicates W.J.K. Harkness served on Council in 1950. JWM 26(3):306 indicates this name was spelled Harkness.
