#### TWS Submits Comments on ITEK in Federal Decision-making

Last month, The Wildlife Society submitted comments to the U.S. Administration on their request for feedback on the inclusion and solicitation of Indigenous Traditional Ecological Knowledge in federal decision-making. Staff were able to compile these comments thanks to the input and leadership of the [Native Peoples' Wildlife Management Working Group of TWS](#).

## **Resource Highlights**

### **Ten LGBTQ Led Organizations Building a More Inclusive Outdoors**

Many organizations are striving to share diverse outdoor stories and celebrate intersecting identities. [Diversify Outdoors](#) has put together a list of 10 LGBTQ+-led organizations seeking to make conversations and narratives surrounding nature, outdoor recreation, and sustainability more inclusive.

### **Allyship at Work Training**

[Allyship at Work](#) helps to bridge this gap by helping employees at every level of your organization identify specific ways they can take action to make a meaningful impact. Individuals can sign up for free moderator training sessions to help empower themselves and others to build a more inclusive workplace.

## **TWS Headquarters Updates**

### **TWS is Now Accepting Student Travel Grant Applications**

The Wildlife Society is pleased to announce the availability of travel grants for TWS student members presenting a technical paper or poster at the [Society's Annual Conference](#) held each fall. Travel grants of \$500 will be awarded to a limited number of students. Applications and all supporting materials for student travel grants must be received by **July 1, 2022**.

### **Congratulations to the Leadership Institute Class of 2022**

The Wildlife Society is excited to announce the Leadership Institute Class of 2022. While a class was not selected in 2021, TWS' flagship leadership program is back this year with a new group of 10 early career wildlife professionals. Over the next six months, the participants will develop their leadership skills through a variety of assignments, discussions and mentorship opportunities.

### **TWS Will Launch Public Certification Database**

In March 2022, [The Wildlife Society announced a collaboration](#) with [Bird Strike Committee USA \(BSC-USA\)](#) to develop a designation that will expand TWS' Wildlife Biologist Certification Program's current opportunities. As part of this effort, TWS will be launching a public certification database.
