Return of Beast Feast Fundraiser

On November 11, 2022 the University of Wyoming's Student Chapter of TWS will once again host Beast Feast as its annual fundraising event. For those of you who are unfamiliar with Beast Feast, Student Chapter President (Devin Gearhart) has the following to say:

"Beast Feast is a fundraising potluck event held by the student chapter typically every year with the exception of those during the pandemic. There is a small fee associated with attending for those who do not bring a dish to contribute. At this event, University of Wyoming students as well as the general public gather to share delicious food, learn about wildlife, and participate in an evening of fun and entertainment. Some of the activities include wildlife stories, wildlife related games, a live and silent auction showcasing local Laramie and regional merchants, a wild game cook-off with a competition for best and worst dishes, and door prizes to be given away throughout the evening. "

The Student Chapter is accepting donations for the event's raffle and silent auction. In the past, the raffled items included local/handmade art, and small gift sets like a coffee-themed basket including ground bags of Coal Creek Coffee, chocolate espresso beans and a travel mug. If you are interested in donating items for the raffle, please contact Student Chapter President (Devin Gearhart; twspresidentuwyo@gmail.com) and Student Chapter Treasurer (Kayla Wenzler; twstreasureruwyo@gmail.com). Any and all donations are deeply appreciated!

Remember: you can bring a dish to the Beast Feast potluck to enter the event for free. If you do not bring a dish, there will be a fee at the door. So come with an empty stomach, and we'll see you at the Lincoln Center on November 11th! And be sure to check out the Student Chapter's [Facebook](#) and [Instagram](#) pages for updates on the event.
