

THE WILDLIFE SOCIETY
SAN JOAQUIN VALLEY CHAPTER

MISSION

To inspire, empower, and enable wildlife professionals to sustain wildlife populations and habitats through science-based management and conservation.

STUDENT OPPORTUNITIES

1. Research Grants

2. Wildlife Society Annual Conference Grants

The grant covers student registration, travel and lodge. These annual meetings are a fantastic opportunity to attend, with many networking and educational opportunities. The 2025 meeting will be February 3-7, 2025 in Visalia, CA.

3. Discounted Workshop Rates

Past workshops have included, Small mammal trapping, California Endangered Species Act, blunt-nosed leopard lizard, urban San Joaquin kit fox, rattlesnake handling, mammal track and sign workshop.

4. Job and Internship Announcements

5. Networking with wildlife professionals throughout the San Joaquin Valley

GOALS

1. Develop and maintain professional standards for wildlife research and management.
2. Enhance knowledge and technical capabilities of wildlife managers.
3. Advance professional stewardship of wildlife resources and their habitats.
4. Advocate the use of sound biological information for wildlife policy decisions.
5. Increase public awareness and appreciation of the wildlife profession.
