

THE WILDLIFE PROFESSIONAL

November/December 2024 Vol. 18 No. 6

The *Wildlife Professional* is the flagship publication of The Wildlife Society and a benefit of membership. The magazine—published six times annually—presents timely research, news and analysis of trends in the wildlife profession.

ABOUT

The Wildlife Society, founded in 1937, is an international nonprofit scientific and educational association dedicated to excellence in wildlife stewardship through science and education. Our mission is to inspire, empower and enable wildlife professionals to sustain wildlife populations and their habitat through science-based management and conservation. We encourage professional growth through certification, peer-reviewed publications, conferences and working groups. For more information, visit us at www.wildlife.org.

BECOME A MEMBER

Membership is open to wildlife professionals, students and anyone who is interested in wildlife science, management and conservation. To learn about the benefits of TWS membership or to join, go to www.wildlife.org/join.

CONTRIBUTOR GUIDELINES

All members are encouraged to submit ideas for articles to *The Wildlife Professional*. For more information, go to www.wildlife.org/publications.
