Safe Rattlesnake Handling Workshop

March 8, 2025

The Bakersfield BLM Office - Bakersfield, CA

The San Joaquin Valley Chapter of The Wildlife Society in collaboration with Dr. Emily Taylor of Central Coast Snake Services presents the 2025 Safe Rattlesnake Handling Workshop located in Bakersfield, California. The workshop will consist of a half-day classroom session covering ecology, conservation, identification, and behavior of rattlesnakes and a half-day hands-on session, where individuals will take turns learning how to properly and safely handle a rattlesnake under the guidance of Dr. Emily Taylor. This session will begin right after lunch and end approximately around 3pm.

Registration will open the week of January 20, 2025.
