

Wetlands Working Group

The Wildlife Society

Student Research and Travel Scholarships

The Wetlands Working Group will award a \$1,000 research scholarship and a \$500 travel scholarship to attend national TWS meeting in Des Moines, IA. Any student member of TWS conducting graduate research on wetlands and/or wetland wildlife can apply.

Applications Due September 13, 2026

To apply, submit application materials to Ethan Massey
(emassey@ducks.org):

1. Two-page project description including study rationale, methods, management implications, and need for funds.
2. Cover letter stating career goals and involvement with TWS.
3. CV with 2 references (advisor included).
4. Applicant should indicate if they plan to attend national meeting.
